

Web Printing

Web Printing

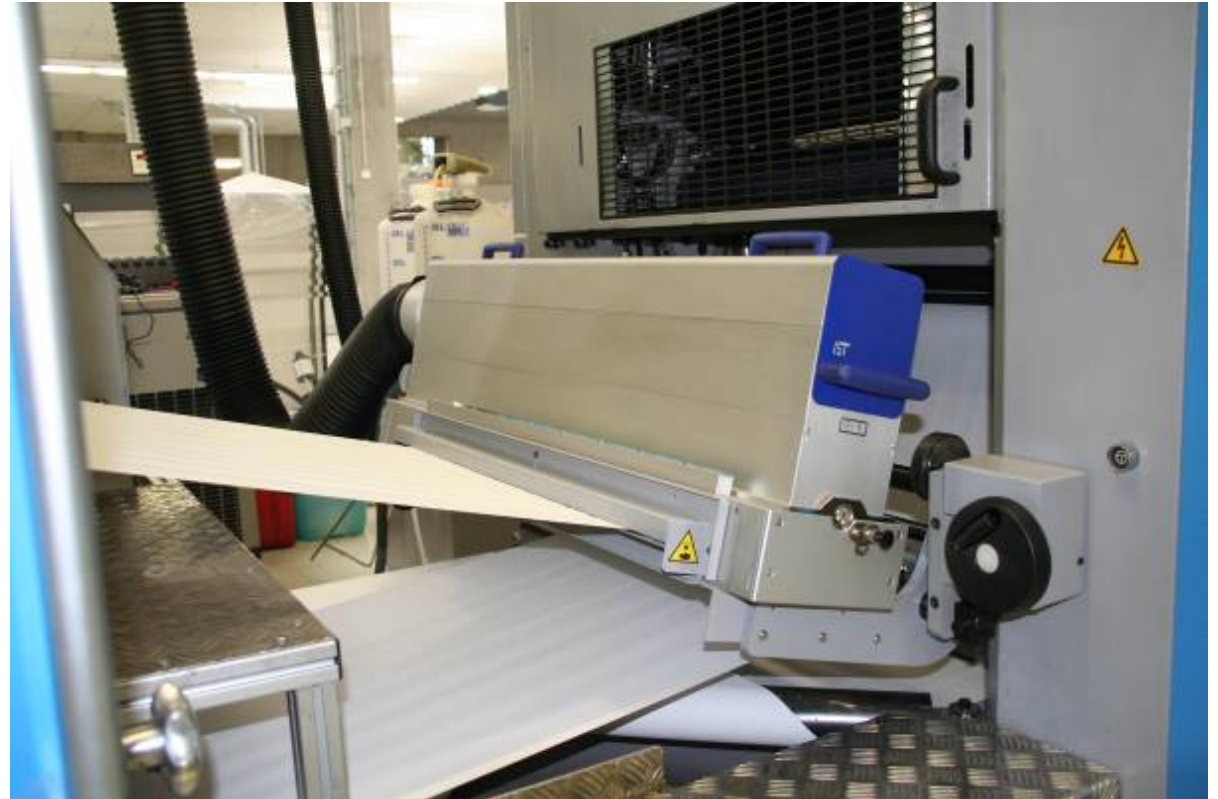

- **UV Offset**
- **UV Flexo**
- **UV Rotogravure (overcoating only)**
- **UV Newspaper**

UV solutions for different applications:

- **Aircooled MBS[®] UV System**
- **Watercooled BLK[®]-6 UV System**
- **Inerted Systems**

MBS[®] (aircooled)

- MBS[®] = Modular Building System
- Aircooled
- Electronic Power supply ELC[®]
- FLC[®] Fast Lamp Change

MBS® (aircooled)

- Pharmaproducts / Forms / Cheques

Energy efficient UV printing

- Developed for web printing
- High Performance

Installation in Offset

- Installation on chlldrum
- With or without interdeck

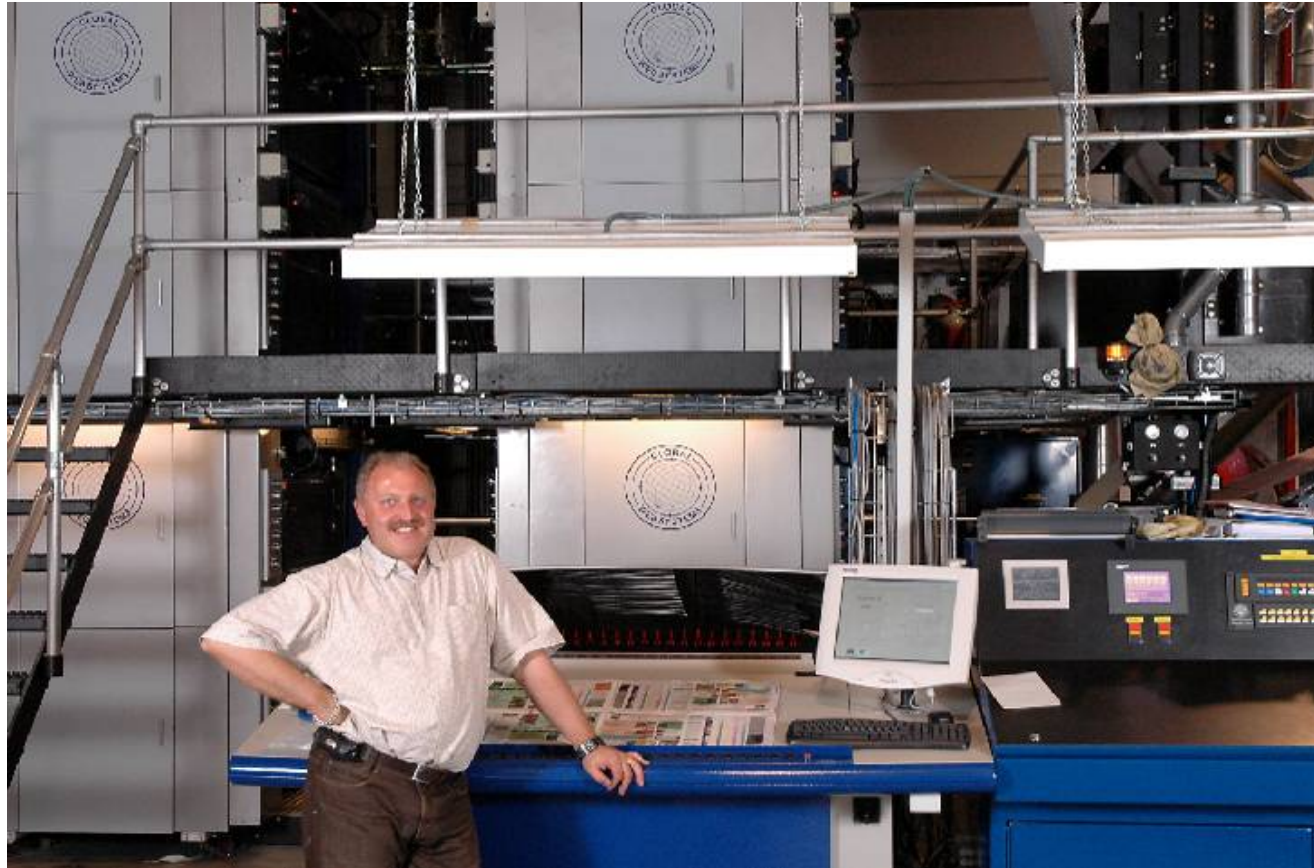

Installation in Offset

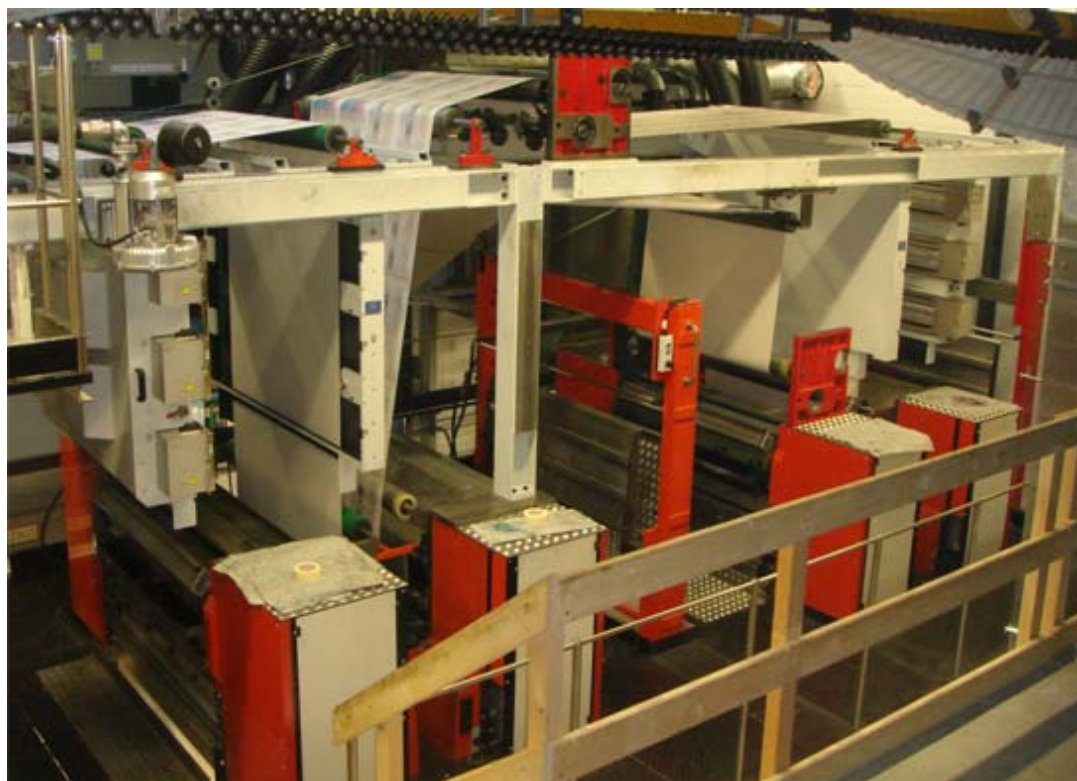

- Inerted UV-System

UV Newspaper

WIFAG Press
